

Dr. Hema Grover

MBBS, DNB, FRANZCOG

Obstetrician & Gynaecologist

Knox Private Hospital is pleased to welcome **Dr. Hema Grover**, an Obstetrician & Gynaecologist who is currently available to treat your patients.

Hema completed her Medical Degree (MBBS) in 1999 followed by specialist training from a tertiary institution in New Delhi, India. After migrating to Australia in 2008, she entered the local specialist training program enabling her to become a FRANZCOG.

Having worked within a range of Public and private hospitals in Australia and overseas, she understands the needs of all aspects of women's health. She is looked upon by other clinicians in her team as a caring & a thorough obstetrician.

With over 12 years of experience in Obstetrics and Gynaecology, **Hema** has specialist expertise and keen interest in management of;

- All aspects of low & High-risk pregnancy
- Pelvic pain and endometriosis
- Abnormal periods/Heavy bleeding
- Abnormal pap smears & colposcopy
- Infertility & Recurrent pregnancy loss

She is trained in range of Gynaecological procedures from minor to major operative Gynaecological surgeries including laparoscopy, operative hysteroscopy and hysterectomy.

In addition to **Dr. Grover's** wealth of experience and knowledge, she has demonstrated an innate ability to work within a broad range of clinical environments, whilst collaborating with various medical practitioners. With local/international experience and passion for medicine, combined with a compassionate yet professional approach, she is accustomed to working with people of diverse cultural backgrounds, and building rapport with people at all levels.

Dr. Grover is accessible for urgent reviews at short notice and welcomes direct phone calls from GPs for advice on his mobile **0417 475 018**. **Dr Grover** can converse with patients in Hindi, Punjabi, Urdu.
