

## The Knox Advantage

- + One of the most advanced private hospitals in Victoria's east, Knox Private Hospital is Healthscope's flagship facility
- + The centre of their eastern cluster, which includes The Victorian Rehabilitation Centre, Bellbird Private Hospital and Ringwood Private Hospital
- + The hospital provides a full suite of onsite services including comprehensive diagnostic and imaging, pathology services, advanced general surgery (including robotic), cardiac surgery, emergency, intensive and coronary care services
- + Knox Private Hospital is easily accessed and located just off Eastlink, with ample onsite, undercover car parking available
- + Knox Private Hospital visitors have access to Healthscope's Patient Finder app which provides them with the comfort of easily tracking their loved ones within the hospital at any given time
- + The convenience of services including an onsite pharmacy and cafe
- + Our 'Hospital in the Home' program provides eligible patients with access to flexible care as they recover in the comfort of their home
