Cardiac Rehabilitation Day Program

Evidence-based rehabilitation

We support recovery after Myocardial infarction, Cardiac surgery, Percutaneous Coronary Intervention and Chronic heart disease.

Our Team

Rehabilitation physicians, specialised cardiac nurses and allied health professionals deliver personalised cardiac management plans.

Programs Include:

- Supervised, individualised exercise training,
- Cardiovascular risk factor management,
- Lifestyle, medication and self-management education,
- Ongoing updates to referring GPs.

Early referral makes a measurable difference

Help your patients regain confidence, improve their heart health, and return to daily life safely.

Support your patient's long-term cardiovascular health by referring them to our cardiac rehabilitation program.

Referrals

To make a referral or learn more, contact our team today.

The GenesisCare, Ringwood team is excited to share that our centre has undergone a refresh, and we continue to offer access to personalised cancer care utilising advanced radiation therapy techniques and treatments

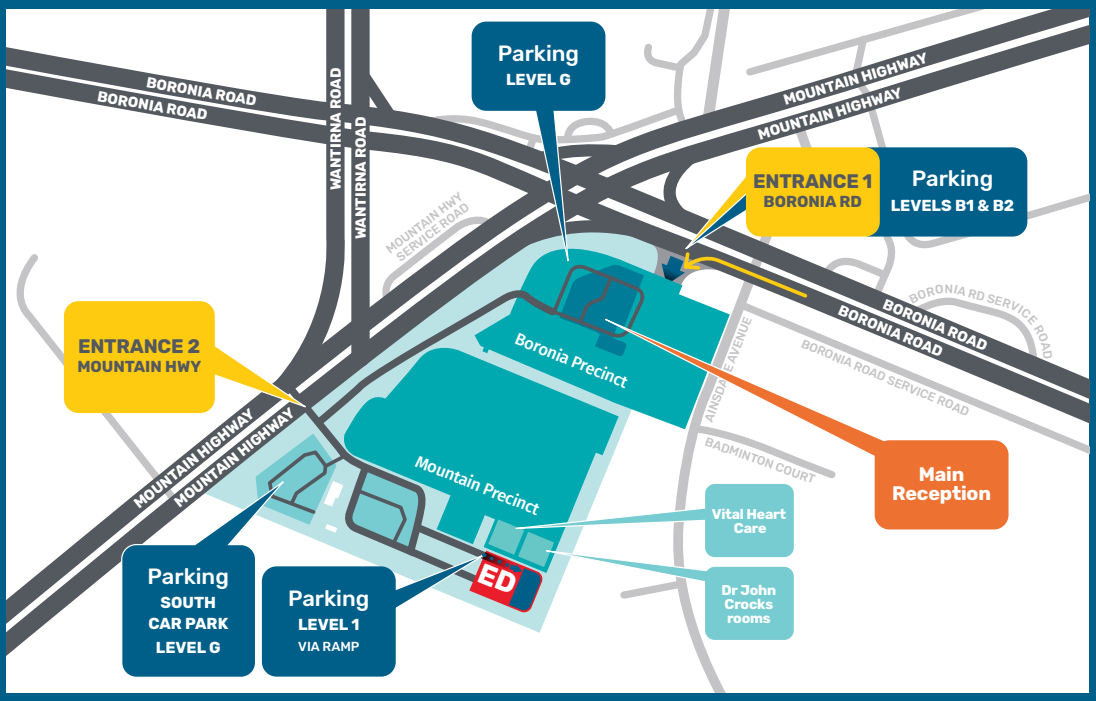

Our Ringwood centre has been operating since 1995, with the team dedicated to offering high-quality multidisciplinary care to all patients.

At GenesisCare, we are changing the face of cancer care.
